Introduction from the Master, Helen Pike

Magdalen College School is a remarkable place. We are now well into our sixth century, and our former pupils include scholars, war heroes, musicians, Olympians, two Nobel Prize laureates, a Hollywood film director, and a saint. Our success in public examinations, in securing places at top universities, and in an astonishing array of extra-curricular pursuits ensures that we continue this proud tradition. We do so by nurturing the individual potential of each of our pupils, and above all we believe that learning is as fun as it is fulfilling.

William of Waynflete founded Magdalen College School in 1480: schoolmaster, bishop of Winchester and Lord Chancellor of England. Being of humble origins, Waynflete was determined that others of ability should be given the opportunity to learn, to serve and to prosper as he did. And so MCS offers a transformative education in our global university city, the community to which we contribute.

We attract and retain the best staff and MCS is a stimulating, welcoming and thriving environment in which both to learn and to work.

A lot happens at MCS. The various sections of our website (www.mcsoxford.org) including the recent [News](#) will give you an impression of our school.

Thank you for your interest.

H. C. Pike

MAGDALEN COLLEGE SCHOOL

INDEPENDENT DAY SCHOOL
BOYS 7-18 & SIXTH FORM GIRLS

The School

Magdalen College School, founded in 1480 by William of Waynflete, is one of the country's leading independent day schools. It is situated in an enviable location at the heart of Oxford beside the River Cherwell. Shaped by its Christian Collegiate foundation and links with the university city of which it is part, it aims to inspire in all its pupils a desire to learn, flourish and to serve.

The school will celebrate its 550th anniversary in 2030. The current generation of MCS staff and pupils wish to ensure that we shape a School that is able to flourish for at least another half millennium, and hopefully many more beyond. There are around 980 pupils, boys 7-18 and Sixth Form Girls, and 200 staff who learn and work on the school's central Oxford site.

The Department

The Sports Department is the largest in the school and oversees the provision of all sport across the Junior and Senior School. Heads of Sport manage their own programmes in a way that allows pupils to flourish in a number of sports. They are ably supported by highly qualified Sports Professionals and experienced PE & Games teachers. We are fortunate to have a number of Level 3 and 4 qualified coaches, many of whom have played sport to the highest level. The introduction of greater

departmental INSET has proved invaluable in sharing technical knowledge across all sports. Sports staff act as mentors to pupils who are aiming to progress through performance pathways, but also have a focus on increasing the numbers of pupils representing the school at all levels. Sport at MCS has seen sustained improvement and success over the last 10 years: sports teams across focus sports are habitual county champions (both boys and girls), and teams regularly advance far in national competitions. Within Netball the 1st team consistently qualify from the county rounds to Regional Finals and the programme supports a large number of girls playing club netball with some at regional level too.

Structure of MCS Sport

Each term at MCS is different and we place enormous value on the variety of sports we play. In Michaelmas Term, the focus sport is rugby for boys and hockey for girls. In the Hilary Term, hockey becomes the focus sport for boy's with the girl's playing netball. The Trinity Term sees the boys play cricket and tennis with the girls focusing on tennis. Rowing and sailing are available through all three terms using facilities on site and at Farmoor Reservoir. In addition, we offer a wide range of sports including badminton, basketball, football, cross-country and athletics, to name but a few. A wide range of lunchtime and after school clubs provide huge breadth to the sporting experience available.

Facilities

MCS is fortunate to have access to superb facilities right in the heart of Oxford. We use School Field, situated on an island in the River Cherwell, for rugby, cricket and tennis, and have use of Christ Church and Merton playing fields. In Trinity term we enjoy the use of 6 outstanding grass tennis courts. The use of our Astroturf pitches on Marston Road and at Oxford Hawks Hockey Club enables the hockey programme to flourish. Milham Ford, which is located on the main school site, has recently been resurfaced to provide 6 all-weather tennis courts and 3 netball courts. A multi-purpose sports hall is used for badminton, basketball, indoor hockey and netball, as well as providing a 5-lane cricket net system. The ability to row directly from the school site is unique. Rowers also use the wide number of ergs we have available in our well-equipped gym, which is next to the sports hall.
