

## Sixth Form

### Dress Code

Pupils should be dressed in a professional, business-like way, appropriate to a formal setting. Dress must be safe and not impede the wearer's or others' learning. In the Sixth Form, as for other age groups, the School expects neat appearance and a good standard of dress, both while at school and while travelling to and from school.

- Dark suit (trouser or skirt); dark trousers, traditionally tailored and full length or skirt worn close to the knee, appropriate for a business-like setting with a smart, dark jacket.
- Formal collared shirt, buttoned at the neck with school tie, school colours or prefect's tie; or blouse appropriately buttoned.
- V-neck pullover of single sober colour (if worn, this must be under jacket).
- Natural, grey or black tights.
- Black or brown leather shoes.
- Minimal and discreet make up and jewellery – e.g. a single stud in one or both ears.
- Pupils must be clean shaven. Hair should be clean, of a natural colour, and unostentatious in style so that it is safe.
